Cash out

Get paid per view

Your earnings climb live as views roll in. When the cycle closes and views are verified, your payout is sent to your chosen method.

CYCLE	STATUS	AMOUNT
Tekme July	Pending	\$1567.08
E-Wale August	Paid	\$500.08

USED BY INDUSTRY LEADERS

The creators and brands behind the campaigns.

Streamers, labels, and brands run campaigns here. Their clips are the ones your network gets paid to post.

- When and how do I get paid? ✓

WHY THE USE US

Trusted by the best brands

Streamers, labels, and brands run campaigns here. Their clips are the ones your network gets paid to post.

★★★★★

We put \$2k behind our *714*22# campaign and let twenty creators run with it. Real views, verified before we paid a cedi — reach we could never have bought with ads alone.

SAMUEL
E-Wale

★★★★★

One brief on Monday, clips everywhere by the weekend. A squad of micro-creators moved Wishty further than any single big influencer we have ever paid.

STEPHEN
Wishty

★★★★★

No vanity metrics. Every payout mapped to views Clapout had already verified, so we knew exactly what our budget bought.

NANA
Tekme

★★★★★

Two sides. One Place. Pick yours

Clippers get paid per view. Brands get reach they only pay for when it is verified.

Start Clipping

Start Campaign

A creator distribution platform connecting brands with micro-influencers who make content travel — and get paid for verified performance.
